

ZHONGWEI

HONG KONG · POWER & RAIL

COMPANY PROFILE · 2026

Transmission towers, concrete poles and railway masts, supplied from Hong Kong.

Hong Kong Zhongwei is the authorized overseas distributor of Sichuan Zhongrui Electrical Equipment and Chongqing Zhongdian Cement Products. You contract with one Hong Kong company; production, testing and certificates come from the two factories.

35–330 kV

ANGLE STEEL TOWERS

60,000 t/yr

TOWER CAPACITY

300,000+ pcs/yr

POLES & MASTS

CRCC × 4

RAILWAY MAST TYPES

Three product lines, each made by the factory certified for it

Standard designs to Chinese national and railway standards, or fabrication to your drawings.

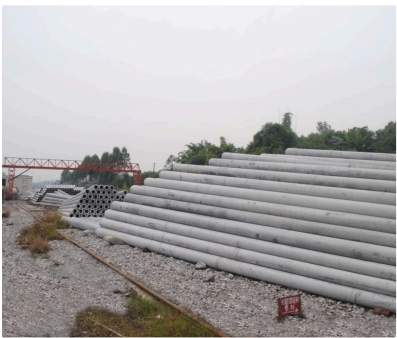

SICHUAN ZHONGRUI

Transmission line towers

VOLTAGE	35 kV – 330 kV
TYPES	Suspension, angle and terminal towers; steel tube poles
STEEL	Q345 • Q420 (to design)
STANDARD	GB/T 2694-2018
FINISH	Hot-dip galvanized by a qualified galvanizing partner
CAPACITY	60,000 t / year

220 kV TYPE TEST • CNAS

STATE GRID PREQUALIFIED 2026

CHONGQING ZHONGDIAN • SICHUAN ZHONGRUI

Spun concrete poles

TYPES	Reinforced, partially prestressed and prestressed; tapered and equal-diameter; square poles
USE	Distribution lines, telecom lines, substation structures
TYPE TESTED	ZΦ310×18 (9GQ9)×T×G
CAPACITY	204,000 pcs / year (Zhongdian)
ACCESSORIES	Stay-wire anchor blocks, chuck blocks, base plates, hardware

STATE GRID PREQUALIFIED 2026

CHINA SOUTHERN POWER GRID 2026

CHONGQING ZHONGDIAN

Electrified railway catenary (OCS) masts

CONCRETE	H-section and ring-section prestressed masts, TB/T 2286-2020
STEEL	H-beam and lattice steel masts, GB/T 25020.1-2025; portal structures
CERTIFICATION	CRCC railway product certificates for all four mast types
CAPACITY	97,200 concrete masts • 63,000 t steel / year

CRCC 14 CHINA RAILWAY ADMINISTRATIONS SUPPLIED

Two factories, one hour apart

Both are in the Chengdu–Chongqing region, with rail and river links to the ports of Qinzhou and Shanghai. Factory visits can be arranged.

Sichuan Zhongrui Electrical Equipment Co., Ltd.

LOCATION	No. 59 Chengxin Ave, Qianfeng District, Guang'an, Sichuan
FOUNDED	2016
SITE	≈173,000 m ²
MAKES	Towers, steel tube poles, concrete poles
EQUIPMENT	CNC angle punching and drilling lines, CNC plate line, 4×12 m plasma, 12 kW laser

Chongqing Zhongdian Cement Products Co., Ltd.

LOCATION	No. 61 Yulong Road, Dingjia Street, Bishan District, Chongqing
FOUNDED	2007
SITE	≈35,000 m ² • 6 workshops
MAKES	Concrete poles, railway masts (concrete and steel), portal structures
EQUIPMENT	10 spinning units, 438 pole and mast moulds, HZN75 batching plant, automatic tensioning

CERTIFICATES

Every certificate listed with its holder and expiry date

CERTIFICATE	HOLDER	VALID UNTIL
CRCC • H-beam steel mast	Zhongdian	2027-11-30
CRCC • Lattice steel mast	Zhongdian	2027-11-30
CRCC • H-section prestressed concrete mast	Zhongdian	2027-11-30
CRCC • Ring-section prestressed concrete mast	Zhongdian	2027-11-30
ISO 9001:2015	Zhongrui / Zhongdian	2029-04-14 / 2027-08-12
ISO 14001:2015 • ISO 45001:2018	Zhongrui / Zhongdian	2029-04-14 / 2029-04-21
ISO 50001:2018	Zhongrui • Zhongdian	2028-11-10
Green Factory (GB/T 36132-2018)	Zhongrui • Zhongdian	2029-04-08
State Grid prequalification, 35–330 kV angle steel towers	Zhongrui	2027-06-30
State Grid prequalification, distribution concrete poles	Zhongrui • Zhongdian	2026-12-31
Letters of authorization to Hong Kong Zhongwei	Zhongrui • Zhongdian	2029-09-27

Supplied to China's power grids and railways

PROJECT / CLIENT	PRODUCT	QUANTITY
Nanning–Baise second line, Nankun Railway	Concrete OCS masts	5,818
Jiaoliu Railway electrification, Tangbao–Liuzhou	Concrete OCS masts	4,009
Tongliao–Siping Railway electrification	Concrete OCS masts	3,394
Liuzhan Railway electrification	Steel OCS masts	2,679
Chengdu–Dazhou–Wanzhou high-speed railway	Ring masts, poles	1,234
State Grid Chongqing, 2025 distribution framework	Concrete poles and accessories	43,151
State Grid Sichuan, 2025 framework (two lots)	Concrete poles	11,457
Tianli hot-spring resort 10 kV line, Luzhou	Angle steel towers	204.7 t

A selection from the factories' contract records. Full lists available on request.

PATENTS

Hong Kong Zhongwei holds **13 Chinese patents** on pole and mast design and production, including **4 invention patents**: anti-toppling composite utility pole (ZL201910621427.6), portable emergency composite pole (ZL201910761169.1), concrete-filled steel tube pole for EHV lines (ZL201910937520.8), thin-walled spun concrete-filled steel tube pole (ZL201911090864.6). The two factories hold a further 19 utility model patents.

HOW TO ORDER

01 Send tower list, pole schedule or mast types, with destination port.	02 Quotation FOB or EXW in USD, with certificates and test reports.	03 Contract signed with Hong Kong Zhongwei; payment by T/T.	04 Shipments begin 20 days after drawing approval, in batches.	05 Shipped via Qinzhou or Shanghai, whichever is cheaper for your port.
